

Vocab-a-thon 2014 competition details.

Testing:

- Vocab-a-thon will be a vocabulary testing competition.
- It will be a written competition and there will be no oral component involved.
- The duration of the testing will be one hour with half hour for instructions and onsite registration.

Study Material:

- The registered students will receive vocabulary word lists.
- The word lists will be in accordance to the grade category levels of the students.
- The students are expected to study the words and look up and understand the definition for the words.
- It would be good for students to proactively study sentence formation for the words to help them in comprehension.

Vocab-a-thon format:

- The competition will include mostly objective type questions.
- Overall the test will include about 25-30 questions.

- The questions will assess vocabulary and comprehension of words.
- Around 10-15 words in Vocab-a-thon 2014 will appear from the word lists that are circulated.

Competition assessment:

- Top 3 ranks will be announced by end of April.
- Certificates will be distributed to all participants during the May session. (There will be no trophies)
- Graded Test papers will be given back to students during the May session.
